Ang Ginto sa Makiling (2) and "Adblock for Inman's site" and "Not Found" will appear.Snapchat, a messaging app that lets users take and send 15-second photos and videos before they are deleted, came under fire last week after one of the company's early employees alleged he was fired after taking home a prototype device containing a photo of a woman's breast. The device was stolen from a home where it was being held for review, according to a lawsuit brought by the employee on behalf of himself and other former employees. Photo: AP Images (2)

Snapchat's privacy is of significant concern, particularly given the recent revelations that the National Security Agency has been secretly collecting data from the app. The company has been conducting an audit, and is cooperating with f678ea9f9e
